6 license or endorsement.

7 (b) Each of the tests and examinations required by this section must be given to and responded to by
8 the applicant in English.

9 ~~(b)~~(c) The knowledge test, road test, or skills test may be waived by the department upon certification

14 retention of which requires additional testing and a security threat assessment under 49 CFR, part 1572; or

15 (C) the applicant cannot provide proof that the applicant has successfully completed a driving knowledge
16 test given to and responded to by the applicant in English.

17 (vi) If a license was issued to a foreign national whose presence in the United States is temporarily

5 of the surrendered license.

6 (e) A license issued to a person who is a foreign national whose presence in the United States is
7 temporarily authorized under federal law expires, as determined by the department, no later than the expiration
8 date of the official document issued to the person by the bureau of citizenship and immigration services of the
9 department of homeland security authorizing the person's presence in the United States.
